

OPERATION ROLLING CHRISTMAS is a go! Time for Jerusalem Township Fire elves to dust off the tools and get ready to start spreading **Christmas Cheer**. We are teaming up with Lucas County Children Services for the 4th year, to help Santa with the Bike Build.

The operation will be held at Jerusalem Township Fire Department; 9501 Jerusalem Rd Curtice, Ohio 43412. The elves will start at 10:00 am and will be complete by 12:00pm on November 27, 2022. Our elves will be building bikes for the children of Lucas County Children Services.

This year we are going to change up our operations. We are going to have a toy bin located in the foyer, outside of the Trustee's offices. Then, we will be hosting our first toy drop off! This will be the first for our community, November 27, 2022 from 9:00 am till 12:00 pm. All of the toys will go to Lucas County Children Services, along with the bikes that day.

The Lucas County Children Services have set up a few different Wish Lists. Visit LucasKids.net/Holiday-Gift-Drive for further information.

Please consider helping in one way or another this Christmas season. Any gift, small to big, could mean the world to a child this holiday season.
