

Target zoning enforcement in the Township for 2023 will be Junk Vehicles

Noted in the Township Comprehensive Plan, blight, junk vehicles, tall grass & noxious weeds are a major concern of residents.

What is considered a Junk Motor Vehicle according to Ohio Revised Code?

1. Three (3) model years old, or older
2. Apparently inoperable
3. Extensively damaged (missing wheels, tires, engine or transmission)

Township Zoning Resolution states:

“Storage of “junk vehicles should be in a completely enclosed building”

How will I be notified?

1. Informal order sent via regular mail *Seven day compliance period*
2. Board of Trustees declares violation.
3. Formal Orders sent to the property owner. *Fourteen days to abate the issue or appeal.*
4. If not abated, the township will send a licensed motor vehicle salvage dealer to remove.

Township is asking residents to take a look at cars, boats, and trailers that may be qualified junk.

There are several ways to get these removed before violations are sent out.
