Jerusalem Township Board of Trustees will be making a change with regard to Public Comments. The Ohio Sunshine Law gives Community members the right to hear and observe the public proceedings of this Board BUT not the right to be heard. (2023 Ohio Sunshine Law Manual, page 113, clause 1049). Jerusalem Township Trustees have chosen to extend the privilege for public comment, even though it is not required.

On the advice of the Lucas County Prosecutor, John Borell we are implementing the following changes:

- Anyone wishing to be heard at a meeting will first sign up to indicate their intention to comment.
- Each person wishing to speak may have up to 3 minutes.
- Individuals engaging in disruptive behavior forfeit their right to attend meetings and may be removed from the meeting. (2023 Ohio Sunshine Law Manual, page 113, clause 1052)

Members of the community ALWAYS have the opportunity to contact their Elected Officials by phone or e-mail with questions or comments. Contact information is available on the Township Website: <https://twp.jerusalem.oh.us/township-directory/>
