## Republic Services Schedule Change for Upcoming Holiday

**(November 20, 2023)** – Republic Services will be adjusting the Thursday collection schedule in observance of Thanksgiving Day on November 23, 2023. This will cause a one-day delay to the normal schedule, for Thursday and Friday services. Residents are asked to check that materials are placed curbside by 6am (dependent on local ordinances) to ensure all items are collected.

In addition, this is a reminder to all residents to be sure all trash is bagged, prior to being placed into trash carts or containers. This action will reduce any residual debris from blowing out of the truck during the collection process. This does **not** apply to the recycling collection service.

Republic Services wishes you a safe holiday.

For updates about waste and recycling collection schedules in your community, check [republicservices.com/service-alerts](https://republicservices.com/service-alerts) or use the My Resource app for iOS or Android.
